

## Induction Cooker IK 35-1 TC SW

### Description

Powerful 3.5 kW meets precise control units - this Induction cooker combines functionality and design at the highest level. In elegant matt black and equipped with versatile setting options such as time, temperature and power, every preparation becomes a controlled cooking moment - efficient, stylish and uncompromisingly well thought-out.

### Features

|                                  |                       |
|----------------------------------|-----------------------|
| • Intervals time setting:        | 1 minute / 10 minutes |
| • Time adjustment:               | 1 to 180 minutes      |
| • Timer:                         | Yes                   |
| • Temperature range:             | 60 °C to 240 °C       |
| • Number of temperature levels:  | 37                    |
| • Intervals temperature setting: | 5 °C                  |
| • Output hob(s) max.:            | 3500 W                |
| • Diameter hob(s):               | 240 mm                |
| • Colour:                        | Black, matt           |
| • Type of hobs:                  | Induction             |
| • Material hob:                  | Glass ceramic         |
| • Number of hobs:                | 1                     |
| • Load capacity per hob:         | 30 kg                 |
| • Size cerane surface:           | W 285 x D 285 mm      |
| • Number of output levels:       | 15                    |
| • Control unit:                  | Electronic<br>Touch   |

► Continue on the next page

► Modern design:

- ✓ With high-quality coating in black
- ✓ Elegant silk-matt look

► Total power: 3.5 kW

► Modern half-bridge technology

- ✓ Enables gentle heating
- ✓ Enables reliable cooking at a low temperature
- ✓ Economical in terms of Energy consumption

► Precise setting options

- ✓ 15 Power levels
- ✓ 37 temperature levels

► With integrated control panel via touch
