

Extractor hood Silversteam2

► Range hood with 2 filters

► Motor output: 383 Watt

► Designed for the 1/1 GN combi steamers of the Silversteam2 series

Description

Both during cooking and when you open the door, escaping steam is unavoidable when preparing food with Silversteam2 combi-steamers. But an extractor hood can help! It ensures a better atmosphere in the kitchen and prevents the deposit of grease and condensate on furniture and walls.
