

## Top shelf, W1200, 1 shelf

- ▶ Width: 1,200 mm
- ▶ Load-bearing capacity max.: 81 kg

### Description

Simple 1200 mm top shelf, single level with chamfered edges on all sides, up to 81 kg, stainless steel, fully assembled. Creates storage space above 1200 mm workbenches without wall mounting. For kitchens planning a modular layout and gradually building up storage space above the work surface.

### Features

- |                               |                                                                         |
