

Glas-doored refrigerator 326

Description

This refrigerator with its practical glass door saves on time and energy, since even before you open the door, you can see everything that's inside at a glance, whether the fridge is used in a storeroom or kitchen or in customer areas such as shops, canteens, dining areas, and service stations.

Features

- Front pane: Framed
- Safety glass: Yes
- Type of glass: Double glazing
- Including: -
- Material inside: Plastic
