

EU declaration of conformity for energy consumption

Energy Label (EU) 2015/1094

Ecodesign (EU) 2015/1095

Applied standard EN 16825:2016

Product data sheet

Name or trade mark of the supplier	Bartscher
Address of the supplier Bartscher GmbH	Bartscher GmbH Franz Kleine Straße 28 33154 Salzkotten Deutschland
Model code	110872
Type of cooling unit	Commercial refrigerated storage cabinet
Construction type	Vertical Chilled

Electrical data

Parameter	Valve	Parameter	Valve
Voltage (V) ~	220-240	Frequency (Hz)	50

General product parameters

Dimensions (in mm)	Height	1920	Net volume (dm ³ or litres)	143
	Width	755		
	Depth	82,24		
EEL	24,48	Energy efficiency class		E
Eenergy consumption (kwh/24 h)	7,24	Climate class ¹		4
Annual energy consumption (in kWh/a)	2644,08	Refridgerant Fluid type		R290
Refrigerant quantity (in g)	0,087	Global warming point		3

¹⁾ Climate class 3: This appliance is intended for use at ambient temperatures of up to 25°C and is therefore not suitable for use in hot commercial kitchens.

Climate class 4: This appliance is intended for use at ambient temperatures of up to 30°C.

Climate class 5: This appliance is intended for use at ambient temperatures of up to 40°C.
