

EU declaration of conformity for energy consumption

Energy Label (EU) 2015/1094

Ecodesign (EU) 2015/1095

Applied standard EN16825:2016

Product data sheet

Name or trade mark of the supplier	Bartscher
Address of the supplier Bartscher GmbH	Bartscher GmbH Franz Kleine Straße 28 33154 Salzkotten Deutschland
Model code	110899
Type of cooling unit	Commercial refrigerated storage cabinet
Construction type	Vertical Chilled

Electrical data

Parameter	Valve	Parameter	Valve
Voltage (V) ~	220-240	Frequency (Hz)	50

General product parameters

Dimensions (in mm)	Height	855	Net volume (dm ³ or litres)	282
	Width	1800		
	Depth	36,8		
EEL	24,48	Energy efficiency class		C
Eenergy consumption (kwh/24 h)	2,53	Climate class ¹		5
Annual energy consumption (in kWh/a)	923	Refridgerant Fluid type		R290
Refrigerant quantity (in kg)	0,085	Global warming point		3

¹⁾ Climate class 3: This appliance is intended for use at ambient temperatures of up to 25°C and is therefore not suitable for use in hot commercial kitchens.

Climate class 4: This appliance is intended for use at ambient temperatures of up to 30°C.

Climate class 5: This appliance is intended for use at ambient temperatures of up to 40°C.
