

EU declaration of conformity for energy consumption

Energy Label (EU) 2019/2018

Ecodesign (EU) 2019/2024

Applied standard ISO 23953-2:2015

Product data sheet

Name or trade mark of the supplier	Bartscher
Address of the supplier Bartscher GmbH	Bartscher GmbH Franz Kleine Straße 28 33154 Salzkotten Deutschland
Model code	700899V1
Type of cooling unit	Commercial refrigerated storage cabinet
Construction type	Combination fridge/freezer 820L Vertical

Electrical data

Parameter	Valve	Parameter	Valve
Voltage (V) ~	220-240	Frequency (Hz)	50

General product parameters

Dimensions (in mm)	Height	2000	Net volume (dm ³ or litres)	778
	Width	780		
	Depth	1220		
EEL	46,7	Energy efficiency class		D
Eenergy consumption (kwh/24 h)	18	Climate class ¹		3
Annual energy consumption (in kWh/a)	6570	Refridgerant Fluid type		R290
Refrigerant quantity (in g)	0,135 + 0,085	Global warming point		3

¹⁾ Climate class 3: This appliance is intended for use at ambient temperatures of up to 25°C and is therefore not suitable for use in hot commercial kitchens.

Climate class 4: This appliance is intended for use at ambient temperatures of up to 30°C.

Climate class 5: This appliance is intended for use at ambient temperatures of up to 40°C.
