

| Pos. | Artikelbeschreibung            | Description of item            | Artikel Nr./Item No. |
|------|--------------------------------|--------------------------------|----------------------|
| 1    | Gehäuse                        | Housing                        | E0S11AO00A0001       |
| 2    | Transformator Beleuchtung      | Transformer                    | E0E26I30121200       |
| 3    | Kondensator                    | Condenser                      | E008A0001            |
| 4    | Abdeckung                      | Cover                          | E008A0002            |
| 5    | Lüfterflügel                   | Fan blade                      | E0A1722201           |
| 6    | Lüftergitter                   | Fan grill                      | E0A2003800           |
| 7    | Lüftermotor                    | Fan motor                      | E0177150800          |
| 8    | Abdeckung Lüftermotor          | cover fan motor                | E0Z01AO03A0002       |
| 9    | Rohr                           | Pipe                           | E000A0002            |
| 10   | Tauwasserheizung               | Defrost water heating          | E0C01AO06A0003       |
| 11   | Auffangschale Kunststoff       | Plastic drip tray              | E0P01AO03A0003       |
| 12   | Abstandhalter                  | Spacer                         | E0E60A0005           |
| 13A  | Anschlusskabel                 | Power supply cable             | E0EUB315300          |
| 14   | Trockenfilter                  | Dry filter                     | E0E66A0001           |
| 15   | Halterung                      | Grip                           | E003A0001            |
| 16C  | Kompressor R600a               | Compressor R600a               | E05E000027           |
| 17   | Fuß - Set, 4 Stück, (Serie A4) | Foot set, 4 pieces (serial A4) | E01A00C00            |
| 18   | Rollen- Set, 4 Stück           | Castor Kid 4 pc.               | E0KITCS1AO0C00       |
| 19C  | Stopfen                        | Stopper                        | E000A0004            |
| 22   | Luftleitblech                  | Air partition                  | E000A0005            |
| 23   | Luftleitblech                  | Air partition                  | E000A0006            |
| 24   | Ablaufrohrverbindung           | Drain pipe connection          | E0P01AO07A0002       |
| 25   | Ablaufrohr                     | Drain pipe                     | E000A0008            |
| 26   | Kappe f. Ablauf                | Cap f. outlet                  | E000A0007            |
| 27   | Heizkörper 215W                | Heater 215W                    | E006A0002            |
| 28   | Verdampfer                     | Evaporator                     | E007A0001            |
| 30   | Klixon                         | Clixon TCO                     | E0E45NC35000000      |
| 31   | Halterung                      | Bracket for Clixon             | E0Z01CG13A0002       |
| 32   | Abdeckung                      | Cover                          | E070009913           |
| 33   | Wasserauffangbehälter          | Water tray                     | E000A0010            |
| 34   | Leitblech                      | Partition                      | E000A0011            |
| 35   | Heizdraht 8 W                  | Heating wire 8 W               | E00088500            |
| 36   | Halterung für Verdampferlüfter | Bracket for Evaporator Fan     | E0S11AO97A0003       |
| 37   | Lüftermotor                    | fan motor                      | E0E17A6A110601       |
| 38   | Lüfterflügel                   | Fan blade                      | E0A1722201           |
| 39   | Lüftergitter                   | Fan grid cover                 | E000A0013            |
| 40   | Befestigungsplatte             | Mounting plate                 | E000A0014            |
| 41   | Abdeckplatte                   | Cover plate                    | E000A0015            |
| 42   | LED-Beleuchtung                | LED lighting                   | E0L0020045           |
| 43   | Einlegerost 700LGN210-OM       | Insert grate 700LGN210-OM      | 700816               |
| 44   | Einlegerost 700LGN210-U        | Insert grate 700LGN210-U       | 700817               |
| 45   | Tür komplett                   | Door, complete                 | E0A002A0001          |
| 46   | Scharnier unten                | Lower hinge                    | E002A0004            |
| 47   | Sift z. Scharnier              | Pin f. hinge                   | E0AE62A0005          |
| 48   | Achse                          | Axis                           | E0AE62A0010          |
| 49   | Abdeckung                      | Cover                          | E0AE62A0009          |
| 50   | Achse                          | Axis                           | E0AE62A0012          |
| 51   | Feder f. Türscharnier          | Spring for door hinge          | E0AE62A0006          |
| 52   | Scharnier oben                 | Upper hinge                    | E002A0003            |
| 53   | Einsatz z. Türschloss          | Door lock cylinder             | E002A0006            |
| 54   | Türdichtung                    | Door seal                      | E0A002A0002          |
| 55   | Türschalter, Licht (3polig)    | Door switch, light (3pole)     | E02306WH00001        |
| 56   | Türschalter, Alarm (2polig)    | Door switch, alarm (2pole)     | E0E2306WH00003       |
| 57   | Türschloss m. 2 Schlüsseln     | Door lock with two keys        | E001A0006            |
| 58   | Thermostat Dixell              | Thermostat Dixell              | E0E20A113F2D02       |
