Model / Properties

The practical square cooking basket enables quick and easy preparation of small snacks in the Snackjet. Suitable for use in microwaves and perfectly suited to the Snackjet 200 and 500, it ensures efficient results in daily use. The cooking basket is made from durable fibreglass mesh with a long-lasting PTFE coating for daily use.

EN

User instructions

1. Before first use, clean the cooking basket with warm water, a soft cloth or sponge and a mild detergent.
2. Rinse the cooking basket with clean water.
3. Then dry the cooking basket thoroughly.
4. Only use the cooking basket with the air baffle; do not place it directly on the cooking chamber floor of the appliance.
5. Never cut food in the cooking basket.
6. Do not use sharp-edged or pointed objects.
7. Use heat resistant plastic kitchen utensils, such as spatulas, to remove food.
8. Clean the cooking basket regularly between cooking cycles to prevent food residues from burning on.
